

Bar stools and stools

Pung

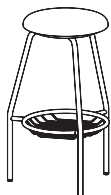

design: Piotr Kuchciński

Pung bar stools and stools are universal addition to any contemporary space. The furniture has a stable and minimalist base made of powder-coated metal and a round upholstered seat that provides comfort while sitting. The frame is additionally connected with metal basket, which will be perfect as a shelf for a purse, necessary utensils or as a support for the legs.

COLLECTION FEATURES:

- universal and stable construction
- complement any arrangement
- comfortable, upholstered seat
- powder coated metal frame
- metal basket as shelf or footrest
